

On the Ancient British, Roman and Saxon Antiquities of Worcestershire.

Title: On the Ancient British, Roman and Saxon Antiquities of Worcestershire. Publisher: British Library, Historical Print Editions The British Library is the national library of the United Kingdom. It is one of the worlds largest research libraries holding over 150 million items in all known languages and formats: books, journals, newspapers, sound recordings, patents, maps, stamps, prints and much more. Its collections include around 14 million books, along with substantial additional collections of manuscripts and historical items dating back as far as 300 BC. The GENERAL HISTORICAL collection includes books from the British Library digitised by Microsoft. This varied collection includes material that gives readers a 19th century view of the world. Topics include health, education, economics, agriculture, environment, technology, culture, politics, labour and industry, mining, penal policy, and social order. ++++The below data was compiled from various identification fields in the bibliographic record of this title.
