

Chartism (Lancaster Pamphlets)

Chartism is an essential introduction to the movement, and examines the controversial debates surrounding the topic. As well as providing a concise period background, the author includes discussion of: * the Chartists economic, legislative and political goals * patterns of regional and local support * reasons for the Chartist decline * the success of Chartism in the light of its goals and its influence over the Poor Law, Corn Laws, trade unions and factory reform * the languages of Chartism - songs, gesture and propaganda.
