

Culture Wars in America: A Documentary and Reference Guide (Documentary and Reference Guides)

This comprehensive documentary report on the cultural and political state of the union explores the flashpoints of the debate over American identity and values. Document groups are arranged topically for easy reference. Each group of documents is preceded by a headnote and followed by analysis. The book includes a Readers Guide to the Documents and a timeline of key events and milestones. Sidebars explore interesting and significant events related to the various broad topics. A trove of resources are listed for further research and exploration. An introductory, context-setting essay, *Definitions of the Culture Wars: Historical and Contemporary*, provides background on the evolution of culture wars in the modern era.
