Understand the process of research on a daily basis with THE RESEARCH PROCESS IN HUMAN SERVICES: BEHIND THE SCENES! This human services text includes twenty original research articles that provide you with models for your own work. Each article is accompanied by commentaries from the articles authors in which they describe how and why they came to do the research, concerns in the design and conduct of the study, their own views about the strengths and limitations of the research, advice about future research in the area, and human subjects issues, including working with IRBs. Through this presentation, the text documents the lived experience of doing research, including its challenges, as well as its joys.
