A History of Connecticut's Coast: David Tedone: In 1910, he had become the first man in history to purchase an airplane for his own. It was not until 1944, 26 years after Colliers death, that the trophy was renamed. They chose the Carolina coastal sandhills, far indeed from Dayton, as a with a group of spectators and helpers from the nearby Coast Guard station. **: David Tedone: Books** A history of Connecticut's coast, 400 years of coastal industry and development.
