

Print Media: Its Role in Present Society: An Overview From Indian Context

This book explains the present role of Indian Print Media in development of the country as well as communities. The exponential growth of Indian journalism has a variegated history. The contributions of Indian Press through overcoming many constraints created a distinct recognition. Prior to the independence, a journey full of struggles to communicate people had started to execute roles and responsibilities towards the society. At present, standing in front of technological revolutions, the press alters its conventional way to inform the public about current happenings. The book intends to meet the gradual changes adopted by the print media sector depending on which sense of performing a different role of Indian print media stands. It also seeks to present an independent outlook of the newspaper supplements that is very popular among youth through a detail case study. To boost up the nation and to meet the social obligations, Indian print media continues its journey with distinct entity, embracing infotainment and edutainment methods to carry out social responsibilities in this digital age.
