

# The First Cooperative College: A History of the College of Engineering at the University of Cincinnati

Racine: Whitman Publishing, nd. Hardcover. Very Good. Small oblong book of colored patterns on right page, plain duplicate on left encouraging children to copy what they see. The cover shows a draped Mother Goose peering over the shoulder of a pert young lass painting on an easel. Some of the patterns have been neatly colored. Book is in strong binding and square, no loose or missing pages. Slight soiling appropriate to age of book which is 1920s or earlier.
