

From Lincoln to Cleveland: And Other Short Studies in History and General Literature (Classic Reprint)

Excerpt from From Lincoln to Cleveland: And Other Short Studies in History and General Literature Most readers wisely skip the Preface as at best a piece of conventional surplusage. This volume, as may be seen at a glance, is fragmentary - partly from choice and yet more from necessity. Chronic invalidism of ten years continuance is not favorable to exhaustive discussions, nor are such discussions in much favor in the present age. This, however, is not said apologetically, for after all the book must stand or fall on its intrinsic merits - would it were worthier We beg leave to express our regret that some slight errors, typographical and otherwise, were seen too late for correction in the present edition. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work.
