

2007 Guide to Federal Justice Grants: Department of Justice Programs on Crime Control and Prevention, Law Enforcement, Prosecution, Technology, Victims, Juvenile Justice (CD-ROM)

This comprehensive CD-ROM contains an amazing collection of the finest documents and resources on federal government grants for justice programs. The depth and breadth of the incredible coverage of federal justice grants is truly awesome! This material is essential for anyone seeking justice program grant assistance. This CD-ROM also contains a superb collection of grant writing and application process tips and ideas, with helpful material from many federal agencies and grant writing tutorials that will make your proposals better and more effective. Next-generation search technology now allows complete indexing and makes all files on each disc fully searchable! Contents include: Department of Justice Office of Justice Programs grants programs, grants on crime control, crime prevention, criminal and juvenile justice system programs, assistance to crime victims, body armor, law enforcement and prosecution, technology for law enforcement, and much more. This CD-ROM has nearly 53,000 pages reproduced using Adobe Acrobat PDF software - allowing direct viewing on Windows and Macintosh systems, and Reader software is included. Advanced search and indexing features are built into our reproduction, providing a complete full-text index. This enables the user to search all the files on the disk at one time for words or phrases using just one search command! The Acrobat cataloging technology adds enormous value and uncommon functionality to this impressive collection of government documents and material. There is no other reference that is as fast, convenient, comprehensive, and portable! Our CD-ROMs are privately-compiled collections of official public domain U.S. government files and documents - they are not produced by the federal government. They are designed to provide a convenient user-friendly

reference work, utilizing the benefits of the Acrobat format to uniformly present thousands of pages that can be rapidly reviewed or printed without untold hours of tedious sea
