

When Eastern Michigan Rode the Rails, III (Interurbans Special)

Volume 3 in this fascinating series examining the transportation modes in the Detroit area. This book covers the corridor westward to Ypsilanti, Ann Arbor, Jackson, Lansing Battle Creek, Kalamazoo and up to Battle Creek, including commuter rail, streetcars, interurbans, and buses. The main players were the Detroit United Railway (later the Eastern Michigan System), the Michigan Railway Company, the Michigan Central Railroad. Illustrated throughout with black and white photos. Includes rosters, maps and chronology. 223 pages with index.
