

Remarks on the Use and Abuse of Some Political Terms (Classic Reprint)

Excerpt from Remarks on the Use and Abuse of Some Political Terms This book was the first, or nearly the first, literary attempt of its distinguished author, having been published by him in 1832, at a time when he was only 26 years old. He lived till 1863, combining eminent services to the State with most remarkable literary activity, in the course of which, however, he never thought fit to revise and republish this production of his early manhood, nor does it appear to have reached a second edition. No mention of it occurs in his published letters; but as the same may be said of all but one or two of his numerous writings, no inference could be drawn from this alone as to his mature judgment respecting it. It is a more significant fact that, in his much later and more elaborate work on the Methods of Observation and Reasoning in Politics, he not only never refers to the earlier treatise in places where it would have been natural for him to do so, but incorporates a considerable portion of its matter, in a condensed form and stripped of the illustrations, in a single chapter, entitled The Technical Language of Politics; a proceeding which certainly conveys the impression that he either wished or expected the Use and Abuse to be speedily forgotten. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical

works.
