

The Boss: An Essay Upon the Art of Governing American Cities (Classic Reprint)

Excerpt from The Boss: An Essay Upon the Art of Governing American Cities You will find in this fragment neither a salacious and highly favored style, nor any of those forcible expletives with which those who surround you are accustomed to embellish their conversation. Its interest must depend upon the importance of the subject, the solidity of the reflections, and the truth of the facts recorded. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
