

The Banditti of the Plains or The Cattlemens Invasion of Wyoming in 1892

Hardcover; Near Fine; No Dust Jacket; 136 pp., block print illustrations. Limited to 1000 copies in this Grabhorn Press reprint edition. Near fine in a clear protective cover. The original book is one of the true rarities of Western Americana. It told the story of Wyoming's Johnson County War but was destroyed, except for some smuggled copies, by court order after much effort on the part of the Wyoming cattlemen and others in places of power in Wyoming. This edition is becoming scarce too. Six Guns #1478, Herd #1474, Graff #2750, Howes M522, Six-Score #79.
