

The rise of the Dutch republic Volume 3-4; a history

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1898 Excerpt: ...John, on the contrary, consists in war, as there is nothing which he so much abhors as repose, as he has given ample proof of these inclinations in all his designs and enterprises, both before and after the Treaty of Marche en Famine, both within the country and beyond its borders, as it is most manifest that his pur 1 See the letter in Bor, x. 829, 830. pose is, and ever has been to embroil us with our neighbors of England and Scotland in new dissensions, as it must be evident to every one of you that his pretended accusations against me are but colors and shadows to embellish and to shroud his own desire for war, his appetite for vengeance, and his hatred not only to me but to yourselves, and as his determination is, in the words of Escovedo, to chastise some of us by means of the rest, and to excite the jealousy of one portion of the country against the other--therefore, gentlemen, do I most affectionately exhort you to found your decision, as to these matters, not upon words but upon actions. Examine carefully my conduct in the points concerning which the charges are made; listen attentively to what my envoys will communicate to you in my behalf; and then, having compared it with all the proceedings of Seigneur Don John, you will be able to form a resolution worthy the rank which you occupy, and befitting your obligations to the whole people, of whom you have been chosen chiefs and protectors by God and by men. Put away all considerations which might obscure your clear eye-sight; maintain with magnanimity, and like men, the safety of yourselves, your wives, your children, your estates, your liberties; see that this poor people, whose eyes are fixed upon you, does not perish; preserve them from the

greediness of those who would grow great
