

## Writers & Artists Guide to How to Write

This book is all about writing for publication. How to plan, create and edit work that will sell. How to write a book that you'll be proud of- and which might yet launch you on a new career. Crammed with examples (positive and negative) from successful authors, this essential guide is for writers of every genre: fiction and narrative non-fiction, literary and commercial, adults and children. This guide tells you how to:- Understand your market- Plan your novel or memoir- Develop strong, empathetic characters- Structure and maintain a compelling plot- Ensure that your prose style is strong enough to carry your story- Polish your work until it shines
